Echt Show Saturday 8th July 2017

The Show is held in the village of Echt, close to Westhill on the outskirts of Aberdeen. More than 4000 people visit to be educated and entertained - and they don't go away disappointed! After watching the cattle, sheep, goats and horses being judged, our visitors can then take a ring side seat to enjoy the magnificent parade of prize winning cattle and horses, the finest in the North East.

Competition is fierce and friendly - from the dog show, the kids races, the Highland dancing and the sausage making, to the mouth watering delights which you'll find in the industrial tent And not forgetting the sheep shearing and the horse shoeing competitions - it's all happening at the Echt Show. And remember to visit the fun fair too!

But all this doesn't happen without a tremendous amount of organisation by our team of volunteers. Our younger members are guided and mentored by those on the committee who have years of experience and who appreciate the input from a younger generation This team delivers project management par excellence which any business would be proud to achieve. Our youngsters become multi skilled and can contribute much to their workplace. Making Echt Show the success it is, we keep alive the traditional skills of this farming community and we seize the opportunity to bring it to the attention of our neighbours at the global centre of excellence in sub sea engineering in nearby Westhill, and further afield. Embracing the future, we hope to go forward together.

Your support in helping us sustain the work of the Echt, Skene and Midmar Agricultural Association which culminates on Echt Show day would be much appreciated.
